Moving Ahead with Confidence and Clarity

Mary H. McDaniel

Ruby Bright

In April, thousands of people gathered in downtown Memphis for the MLK50 celebrations at the National Civil Rights Museum to celebrate the life and legacy of Dr. Martin Luther King, Jr. and to ask the question “Where do we go from here?” Poverty in Memphis has always been a point of discussion in the city, but this year even more so as a national spotlight highlighted the work that Dr. King left behind.

“A good strategic plan is priceless when the goals of the plan matter—especially when the impact is measurable.”

Two years ago, we implemented the Vision 2020 Strategic Plan to reduce poverty in zip code 38126, the poorest neighborhood in the city of Memphis, by five percent. The numbers were shocking—62 percent of adults and 76 percent of children in the area lived in poverty.

A good strategic plan is priceless when the goals of the plan matter—especially when the impact is measurable. Through Vision 2020 we are helping to create a vibrant community with diverse resources for families, with state-of-the-art technology, quality education from cradle to career, living wage employment, career growth, and access to quality health care and mobility.

We have reached more than 7,000 people in zip code 38126. Over 623 individuals received job training, 543 children were enrolled in early childcare, 1,683 young people participated in youth development programs, and there was a 44% increase in average household incomes.

And more.

Thank you for another successful year committed to the women and families of this community.

23 Years Uniting Women Helping Women

Our Mission is to encourage philanthropy and foster leadership among women and support programs that enable women and children to reach their full potential.

Our Vision is to be an agent for change committed to a community of well-being and prosperity, where women live in sufficiency, strength, and safety, sharing their leadership and empowering their children.

Make a Difference in 38126, Vision 2020 Two-Year Impact

Launched in 2015, the overarching purpose of the **Vision 2020 Strategic Plan** is to reduce poverty by five percent over five years in zip code 38126, one of the poorest areas in the city of Memphis. As of the end of the 2017-2018 Fiscal Year, WFGM has invested \$3.5 million in grants to provide direct services in zip code 38126 to reach our goal.

Since 1996, WFGM has awarded \$29.5 million to 530 programs involving more than 100 local non-profits, including investments in advocacy and research.

Connecting HANDS, HEARTS AND PHILANTHROPY

A Look into African American Women Philanthropy

WFGM, in partnership with the W.K. Kellogg Foundation (WKKF), established Connecting Hearts, Hands and Philanthropy: A Collaborative of African American Women-Led Organizations (also known as the CHHP Collaborative). The intent of the CHHP Collaborative is to capture the historical leadership and giving power of African American communities.

The CHHP Collaborative hosted the Inaugural Summer Breeze Gala in 2017 to demonstrate their collective impact welcoming over 200 guests and raising over \$50,000. The proceeds from the event were awarded to 10 organizations that offer programming focused on young women and girl's empowerment and encourage careers in STEM.

The CHHP Collaborative is comprised of:

- The Bluff City Cluster of The Links, Incorporated - Memphis (TN) Chapter, Shelby County (TN) Chapter and River City (TN) Chapter
- Shelby County (TN) Alumnae Chapter of Delta Sigma Theta Sorority, Inc.
- Phi Lambda Omega Chapter of Alpha Kappa Alpha Sorority, Inc.

A Life of Philanthropy, Leadership and Collaboration

More than 400 guests helped us celebrate three extraordinary women during the 2018 Legends Award Reception in April in three categories. The award was created in 2009 to honor trend-setters, visionaries and innovators. The recipients have mastered their field and use their knowledge and skills to better the community.

The Catalyst Award recipient is Associate Pastor of First Congregational Church, **Rev. Sonia Louden Walker** for her life-long commitment to help end hunger in the community.

The Innovation Award recipient is retired CEO of Baptist Memorial Hospital for Women, **Anita S. Vaughn** for her trailblazing career making quality healthcare more accessible for women and their families.

The Philanthropy and Leadership Award recipient is President of the Lichterman Lowenberg Foundation, **Fredrika "Freddi" Felt** for her dedication to supporting youth services, education, the Jewish community and other agencies whose work brings about lasting improvements in Memphis.

Baptist Memorial Health Care has been the Legends Award Reception Presenting Sponsor since the event's inception in 2009.

Annual Tribute Luncheon Takes Center Stage

At our 2018 SOLD OUT Annual Tribute Luncheon with Presenting Sponsor FedEx, 2,200 attendees helped us raise over \$520,000. Guests enjoyed powerful words from our keynote speaker Valeisha Butterfield Jones, Global Head of Women and Black Community Engagement at Google. Jones encouraged women to be the best version of themselves, declaring that as women, "We got the juice!" to get things done.

Power of the Purse, Shopping with a Cause

More than 250 people attended the 2017 Power of the Purse™ Auction in October to raise more than \$50,000. Power of the Purse™ combines a silent and a live auction, with the opportunity to bid on luxury jewelry, handbags, vacation packages, and more.

Leadership

WFGM is led by a 35-member Board of Directors, 11-member Board of Trustees, and 10-member staff representing a cross section of philanthropists, business leaders, marketing professionals, entrepreneurs, and industry experts.

The Two-Generation Approach: Mother, Daughter Success

Education transforms lives. In June, mother-daughter duo Donna and Destiny York graduated from the Women Healing Memphis program along with 13 other women from 38126.

Funded in partnership with Southwest Tennessee Community College Foundation and

WFGM, Women Healing Memphis (WHM) is a continuing education program that provides education and training empowering women living in the 38126 zip code to compete in allied health professional fields.

WHM students completed 50-hour training programs to prepare them to take the national certification exams to become Dialysis Technicians and EKG Technicians. The program not only pays the course fees, but also provides funds for books, materials, examination fees and provided childcare assistance.

Destiny looks forward to working in a small clinic. She says the Southwest faculty were inspiring and supportive throughout the course. "We had great teachers who were very hands on," she said.

Donna has worked at FedEx as a material handler for the past 24 years and now looks forward to working in a hospital setting.

"I want to see more programs like this because they make a difference in people's lives," she said. "It's great to see someone cares about us and sees us as worthy of investing in."

Young Women Leading Today and Tomorrow

Memphis YWI Attends the United State of Women

WFGM was proud to sponsor five girls to be part of our new Young Women's Advisory Council (YWAC), a leadership develop program under the Young Women's Initiative-Memphis created in partnership with Girls Inc. of Memphis. The girls were among 6,000 attendees of the 2018 United State of Women Summit in May in Los Angeles, CA, featuring prominent women leaders. YWAC members also met with 40 other council members to discuss key issues in their localities for girls of color. The partnership was funded in part by the Walmart Foundation, FedEx, and First Tennessee Bank.

Second Annual Title IX Girls Summit

In partnership with the Memphis Grizzlies and Girls Inc. of Memphis, WFGM celebrated the 46th Anniversary of Title IX during the second Annual Girls' Summit. For two days 450 middle and high school student-athletes learned about career options through hands-on demonstrations and panel discussions. Special thanks to the event's featured guests: WNBA Champion Tamika Catchings, two-time Olympic Gold Medalist for US Soccer Angela Hucles, World Rugby Hall of Famer Phaedra Knight, and Basketball Player and Speaker Bilqis Abdul-Qaadir.

WFGM leverages local and national partnerships, expanding our economic footprint and garnering millions in grants to support and implement services geared towards the economic security of women and their families while continuing conversations to tackle women's issues.

Changing Lives One Student at a Time

Over 113 volunteers sorted 72,000 items and provided 434 hours of service to support the 2nd Annual Zip Code 38126 Back to School Project in September.

WFGM distributed 1,000 backpacks to students of Booker T. Washington School and LaRose Elementary School, located in the heart of 38126. The backpacks were filled with school supplies, hygiene kits, and a resource packet including information and opportunities for parents and guardians used to support the entire family.

Both schools received uniforms to fill their clothes closet and students at LaRose Elementary received tablets donated by Memphis Housing Authority to assist them with homework.

Volunteers were provided by WFGM, NIKE, Fed Ex, Urban Strategies, Neighborhood Christian Center, LeMoyne Owen's Man Up Organization, Kellogg's, and Delta Sigma Theta Sorority, Inc. Memphis Alumnae Chapter.

South City Heartbeat Community Resource Room

In September, the South City Community Resource Center opened in Booker T. Washington School providing onsite resources for families based on the needs they identify as most critical for success. More than 200 people have accessed this space for internet, job training, certification programs, GED classes, parenting classes and special events. More than a dozen community organizations and partners have utilized the space for meetings and collaboration.

Nike: Made to Play and Grow

WFGM received a \$10,000 grant from the NIKE Community Impact Fund to deliver the Made to Play program at LaRose Elementary this summer. Booker T. Washington (BTW) High School partnered with WFGM's Young Women's Initiative to provide physical fitness programming through basketball for 82 children in pre-K through fifth grade. Two graduating seniors from the BTW Lady Warriors Basketball team interned for the summer camp.

Annie E. Casey/Evidence2Success

The Annie E. Casey Foundation has selected the Women's Foundation as one of six cities to implement their Evidence2Success program. Evidence2Success is an evidence-based approach that provides a framework for engaging communities and public systems in improving child well-being. The Annie E. Casey Foundation has made a \$450,000 commitment to Vision 2020 and 38126.
