

## Vision 2025

Our Vision 2025 Strategic Plan drives everything we do—to increase investment and reduce poverty in five Memphis zip codes by focusing on what families need most: opportunity, support, and access.

Through this place-based approach, we're strengthening economic mobility, growing collaborative partnerships, and bringing proven models to more neighborhoods across our city.

This year alone, WFGM will invest \$1.8 million in grant funding to 38 local nonprofit partners providing programs in five key areas:

- Case management and wraparound support
- Early childhood development
- Youth development and employment
- Adult education, training, and entrepreneurship
- Financial education and asset building

In the first four years of Vision 2025, more than 34,000 individuals have been served through our collective efforts—thanks to donors like you.

The following outcomes show what your support makes possible. This is your investment in action.

**10,172**

**4,049**

children and their parents participated in early childhood development programs

**6,403**

**114**

**1,666**

When you give to WFGM, you're not just making a donation.  
You're investing in real, measurable change—for women, for families, for Memphis.
